

CITY OF OGLESBY NEWSLETTER

DO YOU PAY YOUR CITY OF OGLESBY BILL ONLINE?

If you have previously received your bills via email or scheduled your payments through the Payment Service Network, here are some things you may need to know:

- The Payment Service Network is no longer an active service.
- If you signed up for paperless billing through PSN, you will continue to not receive a paper statement. You should login to your PSN account to deselect the paperless option.
- Scheduled payments will no longer be processed through PSN. Your options include creating an account on Community Connect to view and/or pay your bill online or sign up for auto pay through the City Clerk's Office.
- Payments made with debit/credit card will be charged a 3.5% processing fee. To avoid processing fees, payments made by ACH will be processed at NO additional cost.
- When creating an account through Community Connect you have the ability to view three years of past utility bills as well as monthly newsletters.

To set up your new online account through the Community Connect online portal, use the link below or the QR code.
